Just how many cocks can a bona fide porn chick handle? Stelliana takes three in this issue (p20), but the way she drains 'em, we figure you could double that easily and she'd still keep on going until every last dick was spent. And the way that the veteran MILFs of our 3rd Degree set report – Debi Diamond, Ginger Lynn, to name just two – handle 'em, we don't think there's a limit on their cock capacity (p54). Which is good, because if there's one thing this issue will guarantee, it's a lot of hard cocks out there in the world. And hard cocks need hardcore chicks to take care of 'em. As always, we've got you covered...

MY SEXY SECRET!

"MY SOUTHERN PUSSY PAL!"

My work takes me all over the country, and not long ago I found myself in Nashville, a city I love, killing some time at the local mall after a hard day's work. As I walked into a store, I suddenly found myself face to face with the most gorgeous woman.

"Excuse me," she said with a smile, in the sexiest Southern drawl ever, making me blush. I couldn't even remember what I'd gone into the store for, she had me so confused. I don't normally fantasize about other women, although I admit I did experiment a little in college. I went to a bar next to the mall to have a drink and cool down.

"Hello again," said a familiar voice. I looked up to see the gorgeous woman as she took the bar stool next to me. My panties were soaked right through to the seat with a sudden gush of excitement.

"Do you come here often?" I asked her. As soon as I said it, I felt so stupid, using the same cheesy line that guys have tried on me. But she just laughed and told me she was from Atlanta, and only in town for a couple of days.

We were soon chatting like old friends, but I kept picturing what it would be like to fondle her tits, spread her legs, and grind my pussy against hers. So when she rested her hand on my thigh as we talked, the rush from my pussy could have doused a campfire!

Not long after that, we went back to my hotel room. As I said, I love Nashville, but I think I may have to pay a visit to Atlanta real soon!

SUNNY LANE

SHE'S A FAN FAVORITE, SHE'S FIVE FEET OF FUCKABILITY AND HER ONLY ANAL SCENE WON AN AVN AWARD. SUNNY LANE WILL BRIGHTEN ANY DAY...

With James Deen in Digital Playground's *Jack's Big Ass Show 3*.

HEIGHT: 5'
WEIGHT: 105 pounds
VITAL STATS: 36C-24-36
HOME STATE: Georgia

How did you get started in the adult industry?
I have a very unique story. I was a professional ice skater and then did some coaching before a foot injury forced me to change my life, so I started dancing at the hottest club I knew, Deja Vu in Tampa, Florida. While attending the NightMoves show, I met some of the film stars like Jesse Jane, Montana Gunn and Ron Jeremy who exposed me to that area of the industry. From there I went to the AVN show in Vegas, then LA where I was on Juli Ashton and Tiffany Granath's cable show. They challenged me to perform in an Axel Braun video and I did a scene in *Squirting 101* — and yes, I squirted! And here I am now! Axel only did me with his fingers in that movie. My first video sex was actually in *POV Fantasies* with Brother Love for New Sensations. I was nervous but also really excited and it was great fun.

From ice skater to sex performer? Pretty unusual.
In professional skating you have to connect with the fans and the judges, you have to be beautiful and glamorous and you have to know how to carry yourself both on and off the ice, so there are a lot of the same elements as the adult industry. I took everything I learned in skating and applied it to the exotic world.

And are you a voyeur as well?
Oh yeah, definitely. I prefer to watch it live and fortunately I'm in this business where I have the chance to do that. Other than that, I do watch porn. I'm very sensual and love all the senses: smell, touch, sight, taste, and sound. I'm into tantric sex.

Do you like to masturbate?
Most of the time I wake up masturbating. I still have wet dreams! It's crazy because I don't remember them, but I know I'm having fun and my hands are cupping me. I do fantasize and masturbate with toys. I like masturbating a lot; it's very sexy and a big turn-on.

What else turns you on?
When I'm getting it on with a guy, if he knows how to talk dirty to me or get into my head, that's a huge turn on. I really like that.
It's also a turn on seeing two people get together, whether it's two women who are very sexy and sensual with each other or just a man and a woman.

What turns you off?
Bad hygiene, especially bad breath!

Does size matter? How do you prefer your cocks?
I can handle them all. I love big cock! And I love blowjobs. I think that's one of the best things that I do and I have a really long tongue.

You have been with some pretty big guys.
I like those big guys who can pick me up because my favorite position is he-man where the guy is standing, holding me under my thighs and bouncing me on his cock. Lee Stone and Marco are great at that and so is Mark Davis, he's awesome! I'm going to be shooting *Performers of the Year* for Elegant Angel with Mark Ashley and I'm really excited about that. Kurt Lockwood is a blast and he's the first one who ever picked me up for upside-down 69. Evan Stone is wonderful to work with and we have a great time. Tom Byron and I were in *House of Ass 9* and *Cocksuckers*, and have a really great connection. He's awesome. He, Manuel Ferrara and Mark Davis are definitely my top I like to do it all and learn everything I can. I'm always pushing myself to go to the next level. I can't skate anymore so I have to push myself in other ways, from the movies I shoot to the photographs I do, the webcams for IM Live, and feature dancing. I'm at the Bunny Ranch, and I like to make things happen with my fans. I love to entertain; I'm an entertainer, that's what I do. I love to make people smile and laugh. I get off on that; it's so gratifying and makes me feel so good. I'm definitely a sexual exhibitionist.

Eric Masterson has the best seat in the house in Digital Playground's *Jack's POV 3*.

Like Brian, we Surewood in Elegant Angel's *Cum Craving Teens 2*.

three guys. They know just what buttons to push.

And Manuel had the chance to push a new button when he did your first anal scene.
He's great and Elegant Angel was so wonderful and accommodating. I was really stoked and Manuel knows how to get me there. He's so sexy and he loves women just like I love men. I loved the whole tease going into it. It felt so good and I think it turned out really well. You can tell in the scene that it felt passionate and real and we connected. We started with vag because I like that and it was my first anal, so I had him enjoy my whole body and every hole. He's just so hot and he knew how to make me relax and really get into it. Check it out in *Big Wet Asses 13*. Oh my goodness, it makes me really wet even thinking about it now.

Do you prefer scenes with people you've worked with before or new talent?
I really like the talent that I already know because we know how to work together, we know how to move in the right positions, and we're already comfortable. With a brand new person, I've got to control the situation. He doesn't know what to do, how to open up, so I've got to give him signals and do little things to train him. It's exciting to work with someone who I've wanted to work with but haven't had the chance to. That's so thrilling to me because I'll have been thinking about this person and maybe we've already been flirting and wanting to get it on.

Is there anyone you'd like to work with who you haven't had yet?
I haven't worked with Brad Armstrong yet, or jessica drake. We recently got to know each other and I'd really like to. There's a guy named Charles Dera who looks like Superman and I'd really like to do him.

Had you been with girls in your private life before getting into the business?
Yes, just a few and it was mostly just experimental. In the business I've been fortunate to work with really hot girls. This year alone I've been working a lot for Triangle Films, a new lesbian company. Girls, yeah! Bree Olson. Love her. She is so much fun. I had been wanting to get it on with her for so long and we finally had the chance in *Roller Dollz*. Courtney Cummz, yummy. Lacie Heart's not around anymore but she and I got along really well. I really like her.

Are you into group sex?
I like variety. It's fun. My favorite scene to shoot is a guy/girl/girl so I have a man and a woman, the best of both worlds. I like to mix it up and try new things. There are times when I want that one-on-one because that's when we have an intimate connection.

Tell us about some of your favorite scenes.
Dark Angels 2: Bloodline from New Sensations is so memorable. I had sex with Dillon Day on a mustang and we put a dent in that car! Another favorite is the scene with Evan Stone in *Sex Pix*. It was the first time I met him and he was so incredible. I got to work with Jenna Haze in an interactive movie that Devinn Lane directed and that was really awesome. *Roller Dollz* is one of my favorite movies partly because I got to be competitive and skate with the real derby doll girls. And I got to have sex with Bree.

Is it easy to make you cum?
Yes, I have multiple orgasms and I can cum very many different ways. I cum very easily from my clit, my G-spot, from being caressed, from my nipples, from someone touching me, blowing me and teasing me the right way. Since I've been in the business, my sexuality has been heightened and become even stronger. I've learned so much more about things that turn me on.

Tell us what you've been doing lately.
Well, I had two really big features in 2008: *Roller Dollz* and *Not Bewitched XXX*. Working for Royalty X films was incredible. Shooting with Alana and doing *Tennis Ballin'* was great fun so I'm going to be shooting with them as one of their regular girls. There's a Cinemax movie called *Sealed With a Kiss* coming out and that's a big deal with Katie Morgan and Nautica Thorn. I've also got my first blowbang coming out. That was for Jules Jordan but I don't know the title.

How can your fans get more of you?
I spend a lot of time on the road dancing and it's all about my fans. I really enjoy traveling all over and meeting them at signings and in the clubs. I bring them in and put on a show! Each show has different tricks and acrobatics in it. Then my assistant works the mic and videotapes it while I interact with the crowd and play with the fans. I love meeting my fans and love that they love me and what I'm doing. My site is Sunnylanelive.com, and I am Therealsunnylane on both Myspace and YouTube. I'm always on IM Live and you can also come see me dance or come and play at the Bunny Ranch. I also have a mailing address: PO Box 5027, Woodland Hills, CA 91365. ♣

Stelliana isn't the kind of babe who likes to beat around the bush. Nope, this one is an anal freak and doesn't care who knows it. So when she plays host to fuckbuddies Zenza, Nick and Chuck, she tells them that they can skip her pussy and head straight for her tightest hole. We figure she doesn't have to ask twice.

Zenza gets to plug her pucker first, sliding his meat all the way in while Stelliana's moans are muffled by the mouthful of cock she gets in turn from Nick and Chuck. She deepthroats them both, slapping their dicks against her tongue while bucking back onto Zenza's probing pecker.

The guys keep moving around clockwise, boning her butt deep and hard for a couple of minutes each, then offering their sticky dicks to her mouth to suck clean. She's cumming almost constantly, her orgasmic ass clenching on their dicks until they start to blast off too.

Once they've each unloaded their balls, Stelliana looks like she's taken a cum shower. Now that they've given her ass what it needed, maybe her pussy can have a turn... ♣

THE HOTTEST IN HARDCORE ACTION REVIEWED BY OLLIE KRILL

JIZZ RATING

CUM BLAST!
A TORRENT!
A NICE SPLAT!
A DAMP PATCH!
A DRIBBLE!

As I wrote these reviews, I heard that a couple of prominent porn stars had been locked up in jail. My advice? Don't worry about it. From what I've learned (from porn movies and mags, admittedly), some hot porn star babes will soon pay you a visit to sneak you a copy of Confidential and to wax your wang. It happens all the time...

APPLE BOTTOMZ 5

STARRING: Gina Lynn, Shyla Stylez, Sunny Lane, Sophie Dee, Emma Cummings, Holly Fox, Kristina Rose, Ben English, Mark Wood, Jenner, John Strong, Marco Banderas.
DIRECTED BY: Danny Case.
AVAILABLE FROM: Zero Tolerance.

BIG ASSES / HOT CHICKS

If Zero Tolerance are trying to get me to cancel everything in my diary, close my curtains, stay home and jerk myself into a coma — well, mission accomplished. I hope you're proud of yourselves. I was planning on doing a bunch of stuff but now I'm stuck inside, cock in hand, watching Shyla, Gina, Sunny, Kristina and other faves wiggle their asses at the camera and get porked. So much for carpe diem. Directed by Danny Case, who is in fact porn stud Pat Myne — contractually obligated name change alert! — this is butt-oriented gonzo of the finest kind.

Sunny Lane starts things off in typically ball-draining fashion. It's a shame she works so little — too busy in Nevada, I figure — because she never does a damn thing wrong on screen. Mark Wood buries his face in her curves and then buries his bone in them too. The oral is brief, but that doesn't matter because she rides dick so damn well.

Shyla Stylez rarely puts in a bad scene either, although I'm always surprised when she doesn't give up the ass. Ben English seems content to tap her mouth and twat before dousing her in dick dew.

I was worried that Holly Fox and Kristina Rose were just going to do lesbian stuff — Kristina is so good on the end of a dick — but my fears were misplaced. John Strong interrupts the pussy eating and puts some meat into their diet. Again, you'd think a movie called *Apple Bottomz* starring Kristina Rose might have some ass-fucking, but that's skipped. Still, the two girls interact nicely with John's unit until it empties for them.

Sweet brunette Emma Cummings is the first to get her tightest hole loosened, Mark Wood breaching her butt in a hot scene that gets better the longer it goes on. Gina Lynn doesn't do anal but has butt for days if not weeks, so her scene with Marco Banderas will make your floor sticky if you're a fan of ass. Brit babe Sophie ends things in fine style, DP'ed by two studs and then rinsed down by them in turn too. It's good to see a butt babe putting that butt to proper use.

SUMMARY: While there's not as much anal activity as you might expect, the classy cast will definitely leave your balls running on empty.

BIG BOOBS ARE COOL 2

STARRING: Audrey Elson, Baby Sinead, January Darling, Mz Berlin, Scarlett Pain, Ethan Hunt, James Deen, Mick Blue, Tony T.
DIRECTED BY: Mitch Fontaine.
AVAILABLE FROM: Burning Angel.

FAT RACKS / ALT.PORN

Big boobs are cool? You shit me not. As statements of the obvious go, that's gonna take some beating. But that's as far as my scoffing goes, because I'm liking the sleazy material coming out of Burning Angel. Usually these hip websites and porn lines stint on the sex, but from Joanna Angel on down we're getting nothing but raw hardcore from these guys. This one is subtitled *Nipples Strike Back*, and I like how they've avoided some of the usual big tits babes here.

Audrey Elson and her 36D chest charms are up first, tussling with the terrible tool of Tony T. Sorry, the 'T' button on my keyboard was feeling a little under-used. She does some tease with a cigarette before getting coital and getting her pucker pounded for good measure. Happily, they remember what the movie is all about and he whacks his load off on her tits.

Scarlett Pain has 34D tits and some really dumb ink, especially the handgun etched on her stomach. But she likes dick, and that's all that really matters here. The action could have been more tit-centric, but this is strokeable enough. Baby Sinead's hook-up with Mick Blue takes it up a notch. He slides his rod in between those 34DD funbags, and while she might not be the hottest porn babe on the block, they look pretty inviting.

Mick is back to bone Mz Berlin, whose 34F boobs spend a bit of time wrapped around his meat. She likes the tattooist's needle too, but loves dick even more and they generate quite a bit of heat.

But it's the finale I'm waiting for. January Darling is a cute redhead with natural 34DD boobs. Where do I sign up? James Deen fucks those titties and then her mouth before feeding her some protein. I'd have done that after about five seconds. Which might be why they didn't cast me.

SUMMARY: Nothing wrong with some lesser-known babes with big ole titties getting dicked, is there? And this makes a nice change from over-lit vignettes too.

WHACK JOBS 3

STARRING: Adrianna Nicole, Aiden Starr, Amanda Blue, Bailey Brooks, Chayse Evans, Jessica Steele, Kelly Wells, La'rin Lane, Nika Noir, Sarah Jessie, SinDee Jennings, Tori Black, Sascha, Marco Banderas, Chris Cannon, Ethan Cage, Chris Johnson.
DIRECTED BY: Courtney Cummz.
AVAILABLE FROM: Zero Tolerance.

HANDJOBS / DIRTY TALK

Two questions. One, how do you make a handjob film into more than a series of scenes of girls jerking joints? Two, why even bother, as that's fine in the first place? Some guys might find a succession of girls getting their hands dirty a little one-dimensional, but that means they're not doing it right. Courtney Cummz throws in a few tricks — her 'Courtney Cam', some pre-scene interviews and tease from the girls — but these movies live or die by how well the babes choke chicken. Luckily, this bunch are skilled wrist practitioners.

Adrianna Nicole sets the formula. Some chat with Courtney, some slit-stroking, then it's cock-time — but she does it better than most. She just looks right hunkered between a guy's legs with her hands busy. There's plenty of eye contact, oil, dirty talk, a smattering of tit-fucking and a pop taken to the mouth. Aiden Starr follows that with another winner, winding the straps of her dress around her captive cock and rubbing her ass on it for some slight variation.

Amanda Blue is really cute and a really good jerk-off artist too. She's generous with the oil and makes sure she catches her wad. Bailey Brooks does more or less the same, before the hot Chayse Evans spices it up a little by slapping some dick on her face, slides the dick into her ass crack and then lies back to crank the cum out over her pussy. I'm not sure Jessica Steele should try to tit-fuck with her tiny tits, but I'm sure that Kelly Wells wins the handjob contest hands down. Okay, she cheats by sucking it and taking it in the twat a few times, but she's desperate to empty those balls and you will be too.

Who else? La'rin Lane's earrings put me off her, Nika Noir's beautiful eyes and two-handed technique are memorable, Sarah Jessie is forgettable, while Sindee Jennings is so hot her stud blasts off after a mere five minutes. Which leaves us with Tori Black, who is ultra-hot and goes all out for the jizz by using her clit, hands and feet. She had mine at 'hello'.

SUMMARY: A superior handjob collection thanks to an injection of personality and a big bunch of stick-stiffening jerkers.

SPRING CHICKENS 21

STARRING: Nicole Ray, Brittany Angel, Mickey Graham, Cameron Love, Chayse Evans, Roxy Deville, Mimi Allen, Tommy Gunn, Talon, Jenner, John Strong, Mick Blue, Alex Gonz, James Deen.
DIRECTED BY: Gregg Alan.
AVAILABLE FROM: Diabolic.

NEW GIRLS / RAW GONZO

I fall in and out of love with Diabolic's output. Sometimes their gonzo material is just what the dick doctor ordered. And sometimes it feels like just another gonzo movie in a whole world full of them, with so-so girls and cheap looking sets. This one falls somewhere in the middle.

Case in point: Nicole Ray. She looks hotter than hell on the box-cover, but once she's on the end of Talon's cock she comes back down to earth. It might be a simple lack of chemistry or it might be that she's so new to porn she doesn't know what she's doing yet, but my anticipation wilted quicker than my hard-on once they started going through the motions.

Mickey Graham is a cute redhead with sultry eyes and a more than cursory knowledge of how to handle a cock. The pre-scene tease is beyond dull, so it's good when John Strong arrives ands puts his dick in her mouth. She can deepthroat, which is a better use for her mouth than her fake moaning. Yeah, enjoy it, but try to be genuine. That said, I like how she fucks and I want to see her again.

I've seen Roxy Deville fuck before and I sure hope to again. She's joined by Chayse Evans for a threeway with Mick Blue that'll definitely drain your nuts. Nicole Ray could take some lessons from the energy they bring to the scene, bossing Mick about and showing some real zest for schlong. You'll want to be Mick, which is all you can ask from a decent porno scene.

We're back to weak porn in scene four however, pale redhead Cameron Love and Tommy Gunn failing to spark, before Brittany Angel applies the defibrillator and kicks us back into life with her DP.

Throw in a decent final scene between skinny slut Mimi Allen and James Deen and there might just be enough here to warrant a trip to wherever the hell you keep your tissues.

SUMMARY: There aren't any unique selling points here — just standard, by-the-numbers sex vignettes. That said, there are a couple of scenes that are definitely dick friendly.

TITS AHOY 8

STARRING: Tanya James, Amy Anderssen, Moxxie Maddron, Evie Delatosso, Anna Nikova, James Deen, Mark Wood, Mick Blue.
DIRECTED BY: Mike Quasar.
AVAILABLE FROM: 3rd Degree.

BIG BOOBS / HOOTERED HOTTIES

Tits ahoy. What sailor hasn't rejoiced at the sound of those two simple words? Actually, the same goes for us landlubbers too — everyone likes tits. The eighth instalment of this fine series brings us a bunch of girls who haven't been over-exposed and a mixture of tits both all-natural and surgically enhanced.

Amy Anderssen is a European blonde with a fat pair that have definitely seen a scalpel in their time. It's not the best boobjob you'll ever see, but Mick Blue doesn't seem to mind as he introduces his cock to them. They're pretty immobile but, then again, who wants them disappearing when you're tit-fucking them? It's standard fare — doggie, cowgirl and missionary fucking before Mick rinses her rack down.

There's way more heat in James Deen's tryst with sultry brunette Evie Delatosso. She oils up her tits and wraps them around his wang, before she bounces all over his bone. There's lots of variety and energy, and she tit-fucks him until he spills his milk all over her milkers.

Moxxie Maddron's scene maintains the momentum as she fucks the hell out of two tools. Her tits are nice but they take a backseat in this scene as she puts all her holes on the line instead. Mick and James bang her mouth, pussy and ass in turn, then take their places for a squelchy DP punctuated with lots of ass to mouth. She glugs down two consecutive loads to give us all a happy finish. Am I alone in thinking she's the spit of Jewel De'Nyle?

Anna Nikova's scene is a lot tamer, but we're here for tits, and tits she has. Tits that soak up another load from James Deen, whose overused dick should be shooting air by now. Last up is Tanya James, who might be sporting fake tits but has a knockout body and a look of sheer nastiness. That said, her hook-up with Mark Wood is standard porn, enlivened by some brief boob-boning and a splash of DNA for the lucky lady at the end.
SUMMARY: Tits get sucked, tits get fucked, tits get blasted. In conclusion: tits.

BOUND TO PLEASE 5

STARRING: Sarah Vandella, Victoria Lawson, Zeina Heart, Isabella Bailey, Arianna Armani, Mark Ashley, Michael Stefano, Anthony Rosano.
DIRECTED BY: Tyler Scott.
AVAILABLE FROM: Digital Sin.

LIGHT BONDAGE / MILD KINK

I always felt that when porn played at being kinky — especially when it comes to bondage — it was laughably light. But, thinking about it, the kind of stuff you see in these pornos is probably similar to most people's experiments in the bedroom. After all, there are niches for those that really like it very kinky, and most of us don't. Instead we get a few blindfolds and a smattering of consensual tying-up. It's frothy, it's glossy, and it ain't bad to jerk off over.

I wouldn't mind spending some time in a dungeon with Arianna Armani, a hot blonde whose eyes seem to scream, "Fuck me," (although, knowing my luck, that would be closely followed by her lips screaming, "Not you, douchebag!"). She's rocking the blindfold and she's slick with oil, and Anthony Rosano joins her to show us just how pretty a girl can look with a dick in her mouth. This scene just clicks, and my balls were about 10cc lighter at the end.

Isabella Bailey didn't get hit with the ugly stick either, and she's got a bullet vibe working away in her cunt before Mark Ashley even arrives. He unties her — don't ask me why she was tied to the door in the first place — and they share some well-shot suck and fuck action before she swallows his seed.

Zeina Heart is another certified cutie, paired with veteran Michael Stefano in a scene that follows the previous two in format. This could get dull real quick, but once you're watching this cutie slob knob, such worries evaporate. Same goes for Victoria Lawson's fuck with Mark Ashley. She's tied to a pole, oiled up, vibrator in place and ready to party. The sex is rarely electric, but it's well-styled. The chick is pretty and she wears jizz jewelry when they're done. Best of all is Sarah Vandella's closer with Mark. I keep waiting for her career to take off, but if this hottie stays under the radar and does scenes like this, I'm a happy man. With a happy cock.
SUMMARY: As long as you're not expecting hardcore bondage and fetish, this one's for you, especially with a very hot cast of rising rooters. ♣

GOT MILF?

IT'S GOT A CAST OF HALL-OF-FAME LEGENDS SHOWING THAT TRUE LUST NEVER DIES BY WRANGLING THE DICKS OF TODAY'S BIGGEST STUDS. THERE WAS NO WAY WE COULD KEEP ACME ANDERSSON AWAY FROM THE SET OF THE COUGAR CLUB 2...

THE COUGAR CLUB 2

STARRING: Debi Diamond, Brittany O'Connell, Shayla LaVeaux, Ginger Lynn, Teri Weigel, John Strong, Marco Banderas, Johnny Sins, John Espizedo, James Deen, Erik Everhard.
DIRECTED BY: Miles Long.
AVAILABLE FROM: 3rd Degree.

Building on the success of *The Cougar Club*, which became one of the biggest movies in 3rd Degree's history and winner of AVN's Best MILF Release trophy, director Miles Long has managed to gather yet another outstanding cast with some of the biggest names in the history of the adult industry. These are women who know what they are doing. They can please a man — they've been doing that for years, both on and off camera — but they've also learned something very important along the way: how to please themselves.

To porn fans who've been around a few years, all these ladies bear familiar names (as well as other things!). Ginger Lynn, Teri Weigel, Brittany O'Connell, Debi Diamond, Shayla LaVeaux — these are women many of us grew up with and today they are better than ever. Ginger devours James Deen in a motorcycle shop scene. Debi more than keeps up with John Strong and Marco Banderas when she takes them on in a warehouse. Teri goes for a barn romp with John Espizedo and gives him the ride of his life. Brittany does more than sketch nude model Johnny Sins and that white muck all over her at the end is not paint. And Shayla takes on mysterious motorcyclist Erik Everhard, nearly wearing down a performer thought to be tireless.

If you think that sequels are usually weaker than the original, this will prove the exception. It is unquestionably one of the strongest MILF titles available and makes one wonder how they'll ever top it. But let's not get ahead of ourselves! These two scenes burn hot but are simply

body around and finds the position much more amenable to her grinding. Johnny simply holds her steady, big hands gripped around her waist as she goes up and down hard. "Stretch my pussy!" she demands. "Stretch it!" She leans forward, her tits flopping into his mouth as she uses one of her hands to spread her pussy apart. "Hold me down on your cock," she pleads. "Pull me close and fill me up!"

Brittany lifts up and tells Johnny she wants to taste her pussy on his dick, then laps it up hungrily, eyes bright with pleasure. When she plants herself on her hands and knees across the couch, Johnny moves in behind her and slides in easily. He goes slow at first and then unleashes a full pummel, his balls smacking hard against her clit.

"I want to watch you fuck my cunt," she whimpers. "Ohhhh, you're so fucking deep!" She rests her head on the cushion and Johnny just slams away. She moans and groans and her eyes roll back in her head. In a moment where her breath

stoking the fire that is *The Cougar Club 2*.

Brittany O'Connell is an artist sketching her subject, Johnny Sins, in the buff so it's not surprising that his nudity is contagious and leads to her undressing. Overalls slide down to her waist, revealing the redhead's notable rack. Next thing you know she's crouched in front of him stroking his cock, slowly wrapping her lips around his flesh as it plumps inside her mouth. She smiles at him each time his swollen head pops out from between her lips, but she's quiet, absorbed in his cock. She brings up a second hand for a two-paw stroke as she continues to worship his monument, looking up at him with happy brown eyes. "You're so hard in my hands," she says through her heavy breathing. "I love to suck your dick!"

They make their way over to the couch where Brittany settles on her side, legs spread wide, allowing Johnny full access to her snatch. She moans loudly, "Oh, fuck yes! Just like that!" Johnny's tongue glides around her hole and flicks her clit. She brushes her hair back away from her face, Sin's tongue locked beneath her hood and nose smack against her clit. "I can't wait to fuck you," she coos.

She can't and won't. He plants himself on the edge of the couch, stiff prick pointing straight up, and she reverse straddles him as he feeds his cock to her starving pussy. Both her hands reach around behind her and secure her stability by pressing on his chest. She begins to bounce, head hanging back, boobs jiggling and her pussy taking his full shaft.

She pulls off for a second to turn her

comes back to her, she asks if they can switch to a missionary variation that has Brit on her back with one leg draped over his shoulder as he comes in from an angle, thrusting steadily and rhythmically into her. She tries to blurt out words, but they get lost in her heavy breathing and moans. Finally she is able to gasp, "Right there!" and then her moans rise, before she dissolves into satisfied giggles as she cums on his cock.

Finally recovered, O'Connell moves to her knees, looking up at Sins and telling him she wants his load in her mouth. "I want to taste your cum," she pants. She jerks him off with both hands, spitting on his shaft for more lube and watching his cock get harder, ready to squirt. "Cum for me," she purrs, wrapping her lips around the head of his tool. Finally she gives one strong tug and it looks like she's pulled the juice right out of him. The splurts come rapidly into and around her mouth. She scoops up some globs and feeds them to herself.

Meanwhile, John and Marco are beat. They've been working in a hot warehouse all day and need a break. But this time the freight elevator isn't filled with more boxes or furniture. This package is Debi Diamond — blonde, busty (yes, Debi Diamond had a boob job!), beautiful — and she's ready to be unwrapped.

Nothing brings a couple of hard-working 'stiffs' to life like a special delivery, especially when they get to deliver their own goods into a warm receptacle. The guys get her out of her clothes easily enough, John snacking on her snatch while she takes on Marco's dong, growling to him to fuck her mouth. Hearing the word 'fuck', John rips her fishnets apart, turns her over and shoves his cock into her cunt.

Diamond howls approval, suddenly unable to suck cock as she grinds and grunts, shaking her ass toward John, whose tool slides in and out with ease. She gains enough composure to resume gobbling on Marco's schlong and makes the transition to riding his prick while sucking on John.

In cowgirl she reaches back, sliding a finger in her ass, then sits up and grinds hard, hair flying, cooing as she bounces up and down, John telling her to ride his pal hard as he enjoys watching for a moment. Debi pulls off to suck Marco and John has a difficult time getting her attention back. Once he does, he takes her cooze for his own, digging in deep as Debi lets out her trademark fuck babble. "B-b-b-b-b-buh-buh-buh! Oh, baby! B-b-b-b-b-buh-buh-buh!" Her voice quavers and then she bends over with blind focus, eyes closed tightly, body shaking, pushing Marco away as she loses herself in her first orgasm.

Brittany gets her boobs basted.

John gets Teri-fied.

James finds Ginger as spicy as ever.

She gets no rest before Marco takes another stab at her, standing her up and bending her over. She jerks and mouths John as Marco grips her ass, banging hard, her tits bouncing toward John. Without a word she reaches back and slips a digit into her ass again and then guides Marco in there, stunned by the length of his member as it disappears into her back door. He takes her for a minute, then John takes over. "I'm an ass slut!" she shouts. "I'm just a fuckin' ass slut! Aaaaaaaaah!"

John keeps up the pace and she rests her head, accepting his ass-reaming, then she pops up like a jack-in-the-box and announces that she's going to climax: "I'm going to cum! Oh, god, I'm going to cum... again!" She lets out a feral scream and then twists her head around madly like a tiger tearing into live prey. She utters sounds, none of them words, but all understood on a primal level. John keeps moving ahead as she plays with her clit in search of number three which seems to be coming just a minute later as she cranes her head to look, her mouth chomping and tongue swinging wildly. Surprisingly, this is the point where Marco decides he wants to stick his dick back in her mouth. He manages and eventually exits with everything in working order.

Since his cock is still in one piece, he joins John for some double fun, with John anchoring her pussy on the bottom while Marco takes on her onion ring with fervor. "Use me," she taunts. "Come ooooooon, fuckin' uuuuuse meeee! Two hard cocks, they're gonna make me fuckin' cum!" The peckers take turns entering her, twisting around her insides like a washing machine

as she emotes loudly. Then she decides she won't cum again. "No, I'm not, I won't," she says, seeming as though she has been taken over by another person entirely, complete with accent. "N-n-n-n-no!"

Suddenly Debi is herself again, cooing and aahing. "Are you going to cum on me when you're done?" she asks. "Tell me as you fuck my ass." They guys don't seem to answer directly, but the answer will be clear soon enough. First they fuck her to her final orgasm, which is yet another episode in sexual insanity. "Oh, I'm gonna cum," she announces. "I don't know! Aaaaaaaaagh! Aaaaagh!" She nods and waves, tongue flicking every which way, blonde hair flying as though a wind machine has suddenly been turned on and she screams like someone possessed.

Once she's settled, the guys pull out and take turns dousing her with their hefty loads, each guy apparently trying to out-grunt the other as she strokes every last drop out. Then they back away, she wipes the jizz into her skin and then pushes her hair back. Everyone knows cum works great as a hair gel! ♣

A SWINGIN' BIRTHDAY!

My man Joe and I have been swinging with the same four couples for about two years — long enough to establish the tradition of anyone with a birthday getting gangbanged! If it's a guy, he gets done by all five of us girls, but when it's a woman, she takes five cocks, plus any pussy she can handle!

Knowing what was in store for me, I wore the crotchless black silk teddy Joe had bought me. I got on my hands and knees and Joe arranged it to show off my ass and twat to the hottest possible effect.

The party's host was first to sample my wet depths. I breathed fast and heavy as he plowed me. This wasn't about a long, slow screw — the night was young and I was ready for the line of hard-dicked studs taking me one after the other.

Birthday or not, the host balled me hard, like just another slice of willing pussy there to pleasure his dick, which gave me such a thrill. It wasn't long before the cum was spurting out of his bone and flooding my cunt.

Next James, a guy in his early twenties, stepped up to the plate. He's the boyfriend of Diane, a cougar in her forties, and she gets a bit possessive. We'd only fucked each other once before, but were both relishing this chance for another go! He didn't have the biggest dick at the party, but screwed me really hard, lasting longer than I expected.

I figured Diane would make him pay for his pleasure — either have him wait till they got home before allowing him to fuck her, or else screw him to exhaustion before turning her attention to the other cocks on offer!

I didn't have time to think much more about him, as he withdrew, wet tip swiping my ass cheek, and guy number three moved in. Usually, the partner is the last to fuck the birthday girl, but I'd know the feel of Joe's prick inside of me anytime! He said he'd been too hard to wait his turn. After him, and the last two guys, my cunt felt drenched, sticky and tender. But the fun wasn't over yet.

One of the girls, Melanie, is a total spunk addict. She loves to sit in the middle of a circle jerk and swallow any splooge that lands in her mouth — which most does! And now she wanted to lap up five entire loads, from my inner thighs and right out my pussy.

Her pal Kate disengaged from the guy she was sucking and came over, with a mouthful of cum, and began to make out with Melanie.

"You can't taste her cunt because of all the spunk!" said Kate, like it was some huge surprise. She wasn't complaining,

Melanie is a total spunk addict. She loves to sit in the middle of a circle jerk and swallow any splooge she can...

GINA LYNN & ERIK

If you're Gina Lynn — possessor of a huge rack and a hungry pussy that won't quit — then a cock like Erik Everhard's hambone is right up your street. Gina wants something she can wrap those tits around, and that will stretch out her pussy and fill her to the brim. Yep, she's met her match.

Erik doesn't hold back when it comes to getting his fuck on, feasting on Gina's juicy fuckbox with his tongue while he pops two fingers in and out repeatedly. She's begging for him to use that dick in her pussy, so he obliges, teasing her by thrusting in just a couple of inches and then offering it to her mouth for a sucking. As frustrated as she is, Gina can't say no to a sticky dick in her mouth.

He doesn't leave her hanging for long, gunning his rod all the way into her cunt until she's squealing her way to an orgasm. Not missing a stroke, Erik pounds her to a succession of noisy climaxes. There's another thing Gina likes — a creamy load of jizz to taste and swallow — and Erik doesn't let her down with that either... ♣

but I invited her to suck me first next time, when it would be all about the sweet taste of my pussy.

Now Diane was taking her turn on me. She spread my pussy wide open, plunging her tongue deep in my hole as her fingertips worked on my clit. All the grinding and jerking had me cumming in her mouth within seconds, but she'd only just begun.

James, now taking the role of obedient lover, got in behind her. His dick was throbbing hard, moist at the end, but she'd decided to make him wait and had him fuck her with a dildo instead. I've done her with a toy and it's like her cunt is moving it in your hand, not the other way around — her pussy grip is so tight that fucking her must feel like a wet handjob! She came really quickly, too. I felt her moans vibrate against my cunt, but she didn't hesitate to lick me even harder.

Now she pulled away and I heard the dildo slip wetly from her hole just before it sunk into mine. It was there for just a couple seconds, while she wet my ass with all the dripped-out juices. Then she slid the toy in there. That was just to open me up, ready for Joe to jam his hard cock inside of me.

To any women reading this, there's just no better way to spend a birthday. Surrounded by kinky, sex-obsessed friends and with the horniest guy you met in your life buried balls-deep in your asshole. Literally, many happy fucking returns to me!

"Annual Anal" – Colorado

CARNAL CAMPING

After spending month after month in the concrete jungle hammering out reports, I knew I needed a break. I decided to take a long weekend and drive out to a gorgeous campground about two hours outside of the city.

When I finally arrived, I was sweaty from head to toe from the long hike up and the weight of my camping gear. My cutoff shorts were wet with perspiration all around my pussy and my sweaty nipples were popping through my tank top. I didn't mind though. In fact, it made me horny to be so grungy and primal.

Before I set up my tent, I took a seat on a log, spreading my legs open to feel the cool breeze against my damp crotch. Knowing that I was all alone, I lowered my shorts down to my ankles and began to rub my clit from side to side. Instantly it started to plump up like a ripe boysenberry. As I opened myself up further with my fingers I could smell the sweet sweat gathered between my legs. It was musky, aromatic and was turning me on even more. I drove three fingers inside my hole to gather all the juice I could. I took each finger out slowly and sucked each one clean, making sure to savor the sauce buried underneath my fingernails.

Before I knew it I was banging my hole wildly, playing a little competition with myself to see how many times I could make my pussy cum without losing sensitivity. I came a solid seven times before my fingers started to cramp up. It was my new personal record!

Later that night, while I was roasting marshmallows by the fire, two lost campers, Randy and Bill, came traipsing into my campsite. As soon as I saw their rugged bodies I knew I had enough zest in my pussy to cum again and again. I invited them to hang out with me overnight so they wouldn't have to tramp around the woods in the dark. What I really wanted was to fuck them like crazy and turn this into a vacation to remember.

Not really wanting to deal with any more small talk, I sat the guys down on a log next to the fire and immediately began taking off my clothes.

"Whoa, what are you doing?" Bill asked, while Randy slapped his arm and told him to shut the hell up.

"I'm horny and want to have a little fun. Is that okay with you?" I smiled, pulling my shirt over my tits to reveal my naturally perky C-cups. Now I had the guys' full attention I grabbed both breasts in my hands and jiggled them around, licking my nipples every chance I had. "Do

I drove three fingers inside my hole to gather all the juice I could. I took each finger out and slowly sucked them clean...

you want to taste these titties?" I asked.

"Come here, baby," Bill growled, pulling me in by the legs. He latched on to my tits with both his mouth and hands, sucking my nipples hard and biting the curve of my breast. Randy squatted behind me, grabbing my shorts and rubbing my pussy through the wet fabric.

I unbuttoned my shorts, lowered them down, and pulled Randy against me. His tongue rasped against my pussy lips and then wriggled into my asshole. "You like the taste of my ass?" I giggled.

Randy lay back across my sleeping bag while I sat on his face. The feeling of being in control was more than I could handle and I soon came with his tongue in my ass. Then Bill unzipped and parted my lips with his thick boner. I grabbed a hold of his cock at the root and sucked it down from tip to base. It was salty, delicious, and swelling down my throat.

The next thing I knew, Randy had moved me into doggie position and was fucking the ass that moments ago he had been tasting. He grabbed my hips and slammed my tight hole hard, switching out with Bill so he could get a sampling of my hungry

heiny as well.

Needless to say we fucked and sucked all night long, taking short naps and food breaks throughout. In fact, the three of us fucked like rabbits the entire weekend, and I had to call in sick on Monday morning as I still hadn't made it home!

BRUNETTE BALLED

I've been lusting after my co-worker Perry for a couple months, and he's been getting increasingly flirty with me too. Then he invited me over for dinner — to meet his fiancée, Evie.

I figured him for a tease, only to find that Evie was bisexual and, just like him, loved curvy brunettes. We never actually ate dinner. Two getting-to-know-you drinks were all it took before we hit the bedroom. They had it all worked out, Perry hanging back while Evie kissed me, tugging at my clothes. Soon she and I had gotten each other naked, and then we dropped to the floor, eating each other's snatch in a sixty-nine.

She got me on top, all the better for Perry to see my asshole when she splayed my cheeks while her tongue pumped in and out of my creamy cunt. Then she switched to fingering me, finding my G-spot instantly. I was in a frenzy, butt clenching and my entire crotch going into spasm, and then she had me tilt my ass so Perry could watch me cum around her fingers as she sucked my clit.

I couldn't see what he was doing, but I knew he was jacking off, sensed he had his dick right up close to my pussy, without touching it.

Now Evie was asking did I want a nice hard cock in my cunt, saying how huge it

The poor guy was so horny it hardly took any time before I felt the first warm jet of jizz spurt out into me...

would feel inside of me, now I was tightened up and puffy from cumming. Perry was groaning as she talked dirty, so I said yeah, okay, let him fuck me, trying to sound calmer than I felt.

She took a suck on his cock herself first, then crammed him in my hole. Poor guy was so horny, so pent-up, it hardly took any time before I felt the first warm jet of jizz spurt out into me. Evie's fingers on my clit made sure I was cumming too before he was done.

While Perry was fetching us more drinks, Evie told me they had occasional

threeways, but always with other women. She loved it, and Perry got horny listening to her fantasy of taking another guy's cock, but was uneasy about her doing it for real.

So Evie had gotten an idea. She'd bought a strap-on a few months back to see how he'd react to seeing her get done that way. But so far it hadn't happened.

I said she'd found her girl, and Perry walked in to find I'd sprouted a latex boner. As we drank, Evie played with us both, jacking me in one hand and him in the other, till his hard-on was as big and solid as mine.

It put me at ease with suddenly having a dick, so when I assumed the position, in between Evie's thighs as she lay back, I didn't feel as nervous as expected. I just thought about all the things I like a guy to do to me, like rubbing his helmet against my clit to get my juices flowing.

Wetness was not a problem for Evie, but she felt plenty of friction as I pushed the huge cock inside of her. I got so turned on by the dildo harness pulling against my slit and the thud as it hit the head of her snatch when I pumped in and out. Perry was watching us, jerking away, then he moved in front of her and offered her his cock to suck.

As his eyes fixed on my crotch pounding against her ass, I watched his face. I saw his expression change as Evie's sucking mouth got him closer to cumming. He was desperate to hold back, then he let out a groan and suddenly pulled out.

His cock was deep red as he slapped it on her back, just where her crack began. Then he started spunking all over it. I kept on fucking her until she came, Perry reaching under her to play with her clit, which soon got her screaming.

Then I pulled out with a wet pop, wiping the dildo in the jizz, coating it so it looked like I'd spunked it myself. I loaded it with as much as I could, then shuffled around in front so Evie could suck it up.

Now I hear that Perry watched Evie take a dick for real last weekend. I emailed her to say how cool I thought that was — and asked her to remember me next time they're both in the mood for pussy!

COLLEGIATE COOCHIE

Mary Kate and I have been best friends and lovers for nearly a year. She is one sexy bitch and the hottest girl in school! Her long blonde hair, gorgeous face and pointy nipples always seem to make her the center of attention. We both love the looks and whistles we get when strolling down the halls hand in hand.

of her curvy ass, I bent her over her desk doggie style and wedged her legs open with my feet. Mary Kate stood on the opposite side of the desk to suck on her fingers and hold her arms down. With her gorgeous ass spread out in front of me, I began to tickle the rim of her rump with my tongue until her butthole skin crinkled up and juice from her pussy was pouring down her thighs.

I told Mary Kate to spread the professor's butt cheeks open wide with both hands until her asshole gaped. I stayed there munching her hole for a solid ten minutes and repeatedly pulled Mary Kate down to sample the sweet sauce dripping from her cunt.

After she'd cum over and over, the professor arranged Mary Kate and I on the floor in front of her, face down and ass up. She kneeled between us, prepping our holes with spit before she stuck two fingers in each snatch. Then she started to fuck our holes like pistons, up and down, up and down, the points of her heels pulling up tufts of carpet as she wedged her digits deeper and deeper. It wasn't long before this sexy woman had us both screaming our heads off, our pretty holes streaming.

"Cum for me, ladies," the professor urged us, and when we both did, she licked our pussies clean and made us cum some more. Mary Kate and I promised the professor that we would be good girls from now on, and stop cheating, but I think all three of us knew we were lying!

"Making the Grade" – Minnesota ♣

Last week however, that attention turned negative when our professor caught Mary Kate and I cheating during a test. We decided to flirt our way out of the situation, tempted by the fact that our professor is one hot MILF! She was wearing a tight pencil skirt, silk blouse and stockings, and Mary Kate and I were sneaking lustful peaks at her and each other as she reprimanded us.

"You two know that cheating leads to immediate suspension, right?" the professor said, her eyes scanning all around my plump boobs that were spilling out of my blouse.

"Yes, and we're really sorry. Can we show you how sorry we are?" Mary Kate whispered, spreading her legs open to reveal her silky slit. When the professor smiled, Mary Kate licked the fabric around my boobs until my nipples poked through the damp cotton.

The professor stood up suddenly and rushed to the door. "Damn, now we're really in trouble!" I sighed to Mary Kate. But then we heard the door lock and the vertical blinds lower.

"Let's see what you girls have in mind," the professor purred. I pinned her against her desk, opened her blouse and began to suck on her perfect tits, rounding my tongue over the bumpy flesh.

"How's this for starters?" I asked, to be answered with moans of pleasure. Mary Kate chose to squat on the floor, spreading the professor's legs out before her. She cut a hole out of the crotch of her pantyhose with a pair of scissors and began to lap up every inch of the professor's collegiate cooze.

After a while the entire room echoed with the sound of moaning and sucking. I joined Mary Kate between the professor's legs and began to roll my tongue over her clit like a wave, while Mary Kate fingered and tickled her asshole.

We rammed our tongues into her creamy clam in turn, swapping her sweet juices between our mouths...

"Slap my cunt!" she begged. I took it upon myself to grant her request by patting and fingering her pussy. "Now let me see both of those tongues licking my wet hole!" she demanded. We did as we were asked, ramming our tongues into her creamy clam in turn and swapping her sweet juices between our mouths.

Desperately wanting to get a mouthful

MY SEX LIFE!

"MY FIRST GANGBANG!"

I was so excited as I was blindfolded and led into an upstairs room at the sex club. All was quiet and then I felt hands on me. The energy in the room was changing as more and more people came in. My panties were removed and then I felt fingers probing my wet pussy.

I began to moan with pleasure, and felt a cock touch my lips. I opened wide so it could thrust into my mouth. I began sucking, rocking my hips as a tongue rasped over my clit.

I was begging to be fucked, and now I felt a hard dick enter my pussy. There were bodies all around me, and I reached down and found a cock to take in each hand. The cock in my pussy started to pound me harder and harder, then suddenly pulled out and shot its load all over me. Immediately, there was another one to take its place.

The cock between my lips filled my mouth with another load of cum, which I drank down eagerly. Now they carried me over to the examination table and placed my feet in the stirrups. I took another cock in my mouth, pussy and each hand, and felt tongues teasing my nipples.

When several cocks had taken their turns in me, I was flipped over onto my hands and knees. Someone began to finger my ass while he fucked my pussy, another cock thrust into my mouth.

I lost count of how many cocks I took that night, and how many orgasms I had. I kept the blindfold on the whole time, and I love the fact that I have no idea who those anonymous cocks belonged to!

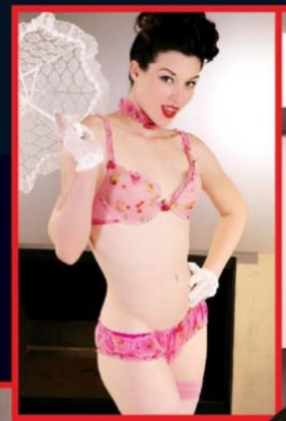
HOW TO BE A STUD!

PART 13: LINGERIE LUST!

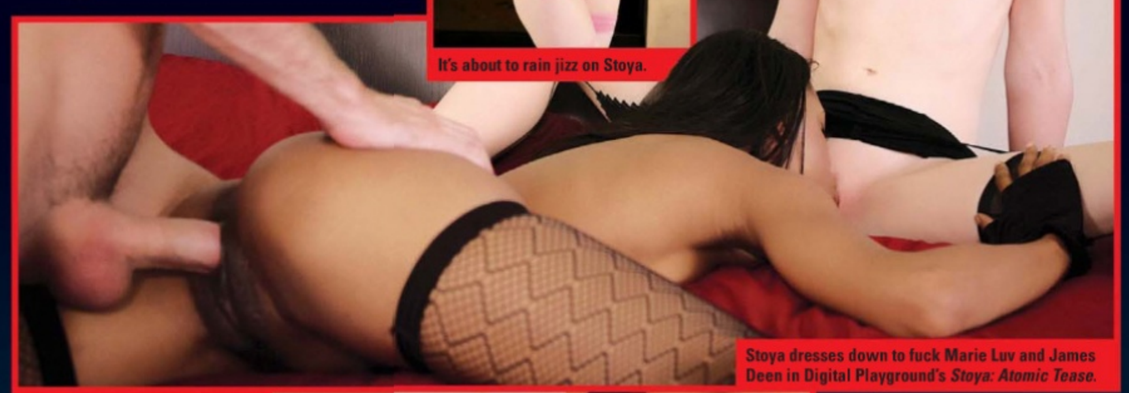
As much as we love women to be butt naked whenever possible, there's no denying the appeal and allure of lingerie. We're not talking about busted pantyhose — we're talking about the stuff that adds extra sex appeal, that frames those soft, squidgy bits just perfectly. But buying lingerie for the lady in your life ain't all that easy. Get it right and you could be having the fantasy sex of your dreams, get it wrong and you could be jerking off to the lingerie ads in the catalog before spending the night on the couch...

1: THE SIZE IS THE PRIZE

Buying anything — clothes, jewelry — without knowing the size of the person you're buying it for is fraught with pitfalls. But lingerie? Oh boy. Buy stuff that's too big and she'll think that you think she's fat. Buy stuff that's too small and she'll think that you think she needs to lose weight. Or that you only like really skinny chicks. It's simple — if you want to be balls deep in pussy while your babe wears stockings and garters, have a root in her lingerie drawer and find her size before you buy.



It's about to rain jizz on Stoya.



Stoya dresses down to fuck Marie Luv and James Deen in Digital Playground's *Stoya: Atomic Tease*.

Alexis Texas is rocking stockings for her cocking by Johnny Sins.

2: KNOW YOUR AUDIENCE

Buying lingerie can be like walking a tightrope. On the one hand, you want to buy something that turns you on. On the other, you want to buy something she'll actually wear and feel sexy in. It's one thing to buy crotchless panties and peephole bras. It's another when she laughs, throws them in the trash, fills the trashcan with gasoline, sets it on fire and sends you back to the lingerie catalog and the couch. Which brings us neatly to...

3: SHOPPING AND SUCKING

Maybe the best option is for you to choose the lingerie together. Go out and hit some classy joints — the shopping and the anticipation will only heighten the horniness. Upscale stores may even have changing rooms where you can try before you buy. As for joining her in the changing room, that's entirely up to you.

These babes are the cream of the crop.

Looks like someone forgot to buy panties.

4: LOG ON FOR LINGERIE

If you and your chick don't feel entirely comfortable going into a lingerie store, go online. In fact, that can be fun. Take the laptop to bed and fantasize about what you'd both want to wear and do to each other. We figure you won't even finish ordering before you're bumping uglies. Just make sure you've cleared some time for tooling once that package arrives... ♣

ALEXIA

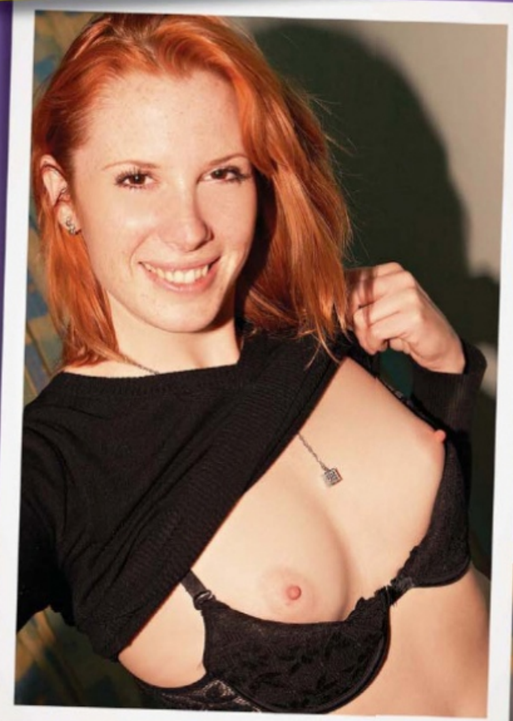
FROM NEWARK, NEW JERSEY

Name: Alexia
Age: 33
Occupation: Caddy
Cougar on the prowl: "All the younger guys at the golf club where I work call me a MILF. It's the 'F' bit of that I like best. I only caddy for guys I want to bone, and we'll be halfway through a round when I'll get a craving for some 20-something cock in a bunker. Don't worry, I've heard all the 'hole in one' jokes before!" ♣

"WE'LL BE HALFWAY THROUGH A ROUND OF GOLF WHEN I'LL GET A CRAVING FOR COCK IN A BUNKER"

MY CONFESSION!

"MY FAVORITE PLAYTHING!"



My sex life has gone through the roof since I got a digital camera. I used to spend all evening watching the soaps, but now I've got a toy to play with and that keeps me really busy. At first I was taking photos myself — setting the timer and then playing with my pussy — but the photos never came out well. So now I invite a guy I like over.

We'll take lots of pics and video of me stroking my tits and my clit, taking it real slow. Then I'll get out my big black dildo and squat onto that. If I'm feeling really naughty — and I usually am — I'll even lube up my ass and stick it in there. I feel even hornier making faces for the camera while that big thing is inside my butt.

That's all still warming up, though. Once I'm good and juicy my buddy will join me in front of the camera and we'll fuck. I like to face the camera while he does me doggie style real deep. You should see my fuck faces! And then we'll go close in on the camera for the finale as he jerks his load into my mouth. I'll play with his cum with my fingers and tongue, and that's a wrap!

Then, every month or so, we'll have a Saturday where we just get together and watch our movies, fucking while we do. I don't know what I ever did before this camera!

"Show and Tell" – Kansas ♣

"I'LL GET OUT MY BIG BLACK DILDO AND SQUAT ONTO THAT. IF I'M FEELING NAUGHTY I'LL LUBE MY ASS AND STICK IT IN"

Cum here and slip your cock into my mouth while I spread my legs for you!

VIRGINIE & THOMAS

SEE OUR VIDEO AT WWW.CLUBGIRLSXXX.COM

Thomas doesn't like flying around the country on business and being away from home, and Virginie always pines when he's traveling. But if there's one thing they both like, it's when he gets home. She's gotten it down to a fine art. She'll wait with her pussy already wet, her panties pulled to one side — if she's wearing any — and nasty intentions. He plays his part too, pretty much coming through the door with a hard-on bursting out of his pants every single time.

This time is no different. Virginie shows Thomas how much she's been missing him by dropping to her knees, yanking his cock out of his pants and swallowing it whole. She caresses his cum-filled balls — there's a week's worth in there — while he fucks her mouth and gets hard enough to fuck her pussy too.

That doesn't take long, and she pushes him onto his back so she can sink her soaking slit onto his twitching rod. As she milks it with her pussy walls, he's soon biting his lip to keep himself from cumming deep in her spasming pussy — because she wants to guzzle that week's worth of wad down. Welcome home... ♣
